

## Dentistry From The Heart Instruction Sheet

***Please follow the instructions below.***

- I. Completely fill out the registration form in its entirety.
- II. Choose the procedure you would like and mark on the registration form. (*Only ONE procedure can be requested.*)

Extraction

Filling

Cleaning

- III. Give the completed form to security and you will receive a number in return.
- IV. You ***must*** stay on the premises until your number is called if you wish to receive your desired service.

**Patients will be called by their number order, based upon the service that they choose. The hygienist will see all cleaning requests and doctors will see filling and extraction requests.**
